

# IBM-Nalaiyathiran Project

## IBM Cognos analytics

The screenshot shows the IBM My IBM dashboard. At the top, there's a navigation bar with the IBM logo and links for My IBM, Profile, and Billing. The main section is titled "Products" and features a "Trials" section with 1 offering. The trial is for "IBM Cognos Analytics on Cloud - Trial", which is active and expires on Dec 9, 2022. There are "Launch" and "Manage" buttons. To the right, there's a "Need help? Get product support" link and a "View catalog" button. The bottom of the dashboard includes links for Contact IBM, Privacy, Terms of use, Accessibility, and Cookie Preferences, along with a language selector set to "United States - English".

The screenshot shows the IBM Cognos Analytics with Watson interface. The top bar includes a search bar and a "1 item open" indicator. The main content area has a welcome message: "Hello. Welcome to Cognos Analytics with Watson." and a sub-message: "You can get started right away by taking a look at our introduction video, product tour and Getting Started tab." There are two buttons: "Watch video" and "Take a product tour". Below this, there's a "Quick launch" section with four options: "Upload data" (Upload or drag and drop spreadsheets, csv files, and other data sources), "Prepare data" (Use data modules to clean and connect data from multiple resources), "Exploration" (Quickly find unbiased answers by identifying trends in your data with data exploration), and "Present data" (Create sophisticated, multi-page, multi-query dashboards, reports, or stories). The bottom of the interface has a "Get started" tab and a "Recent" section with the heading "Get up and running in IBM Cognos Analytics".
